

## Virginia-Georgia Transformer invites you to attend these Technical Webinars focusing on transformer technology

Virginia Transformer Corporation was founded in 1971 and we are dedicating this 50<sup>th</sup> year in business to our customers. We think an important part of our company's development is to share what we have learned on how to properly design, engineer and manufacture a transformer. We are in a constant pursuit to make the perfect transformer and are inviting all our customers to engage with us for an hour.

Please consider attending our "Pursuit of the Perfect Transformer" Webinar:
